

2020-2021 Covid Protocol

When you attend an academic bowl, you will be leaving your daily bubble. While you and your students will have spent the school year together, you will be in classroom proximity to team members and coaches from other communities. To keep everyone safe and healthy, we want to take appropriate precautions.

Temperature checks will be performed by the coach or other school personnel prior to leaving for the tournament.

Each team should take hand sanitizer for their own team members.

Each team should take their own pencil & scratch paper.

Take your own snacks and/or drinks. If there is vending available, the host will let you know.

Masks/face coverings should be worn in the buildings - in the hallways between games - in public areas where social distancing is not possible. When social distancing is possible teams should follow their host site mandates/protocols.

If the host site has more stringent COVID-19 protocols in place, they will notify all attending teams of those protocols and all attending teams will abide by the host site rules.

It would be against my recommendation, but... If the host site and all schools attending at that site have more relaxed COVID-19 protocols - all in attendance may comply with those standards.

Hosts -- Please use the largest space you have available for the competition rooms -- your largest classrooms, cafeterias, band rooms, practice gyms, auditoriums, etc. Unusual spaces, I agree, but these are almost always large spaces as well.

Set-up competition rooms with moderator table 6' to 8' from the competition tables. We do not want the moderator to be need a mask while reading the questions. If there is not enough space to keep the officials table and the team tables 6' apart, the moderator should wear a face mask or use a face shield. If ample room is given between the officials table and the students, the moderator may remove their mask.

The ends of the team competition tables closest to the opposing team should be 6' apart if possible. Tables should face forward and not be at an angle toward the opponents table.

Coaches and substitutes should sit behind their own team and as far back as possible and socially distanced from the opposing team coaches and substitutes.
All surfaces should be cleaned between games. Desk/table top, chairs, buzzer systems.

Players and coaches -- for this year, a team may be 8 players or less. No spectators.

Take your own pencils and paper. If you wish, you may take plastic baggies/sandwich bags/zip lock bags to place over the buzzers for your team.

If distance is not available at the team tables, a player may lower their mask to give an answer to a question. The team captain may lower their mask to give the answer to the bonus question.

Each school that wins one of the four subject area tournaments will be invited to attend a Froshmore Championship tournament to be held on February 27, 2021. If one team in the group wins all 4 tournaments, the team with the most 2nd place finishes will also qualify to attend.

Champion and Runner-up plaques and individual awards for each division will be given at the Froshmore Championship.

In each of the 4 subject area tournaments 16 will be from the main subject with 4 each from the other 3 categories, 2 current events and 2 pop culture. The questions for the Froshmore Championship will be balanced in the four main subject areas.

Weather

As we have witnessed in the last couple of years, the weather doesn't want us to forget who's really in control! If you are hosting a tournament have a plan in case the weather turns bad. Have a list of participating schools travel agendas and phone numbers at home. Be sure they have your home number and you have theirs. Even if your roads are clear, 30 miles away they may iced in. If you are attending the tournament. Fax your travel agenda and your home and cell phone numbers to the host site. If you are experiencing icy weather call the host site EARLY in the day to let them know travel may be a problem. The OAAC Board of Directors says if ANY school attending a tournament is in a travel advisory or warning (not a watch) the tournament must be canceled and rescheduled. The region and area will cover a large portion of the state. Be weather wise. Have a plan in place.

Check List

The check list was included to help you keep track of dates and what you need to do before going to the tournament. Items 5-8 are for your school specific needs, e.g.. transportation, notes to parents, etc. Be considerate to your host site, let them know you're planning to attend. ALWAYS call to cancel if problems arise.
